

MPF One Content Patient Lookup

Open Internet Explorer

↳ From Favorites, scroll to Centegra Internet Applications

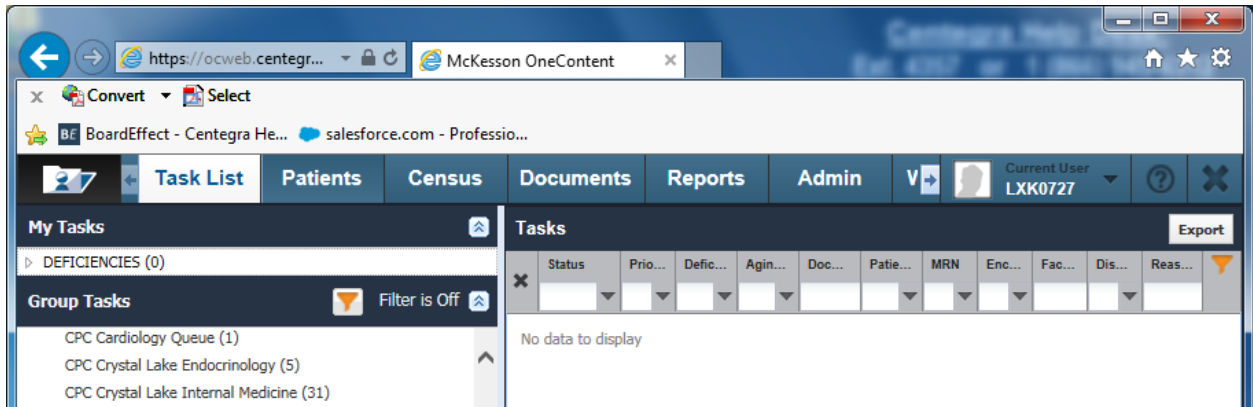

↳ Select MPF OneContent

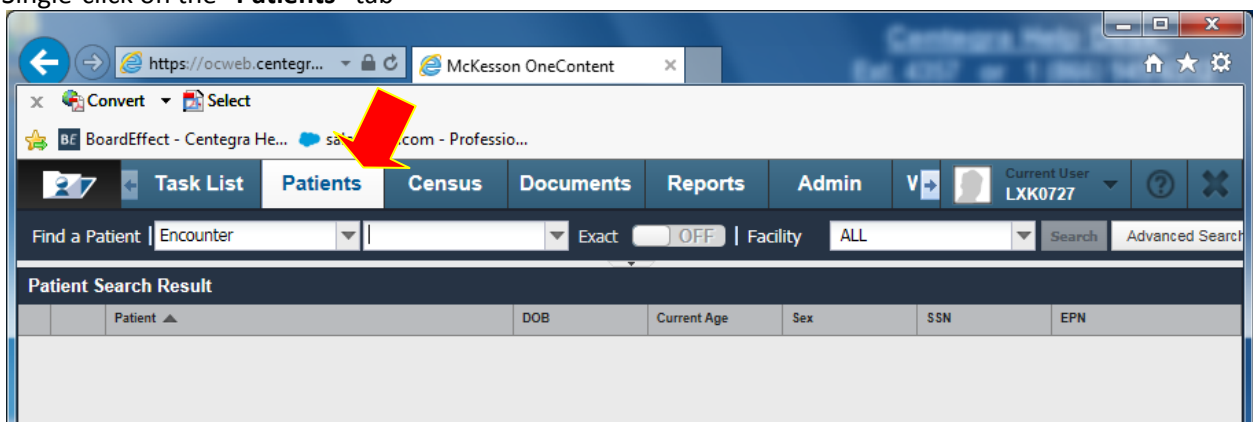

Enter your Centegra network user name and password

A screenshot of the McKesson OneContent login page. The page has a header with the McKesson logo and the text 'McKesson OneContent'. Below the header is a login form with the following fields: 'Username' (a text input field), 'Password' (a text input field), and 'Domain' (a dropdown menu with 'centegra.com' selected). At the bottom of the form, there is a checkbox labeled 'Remember Me' and a 'Login' button.

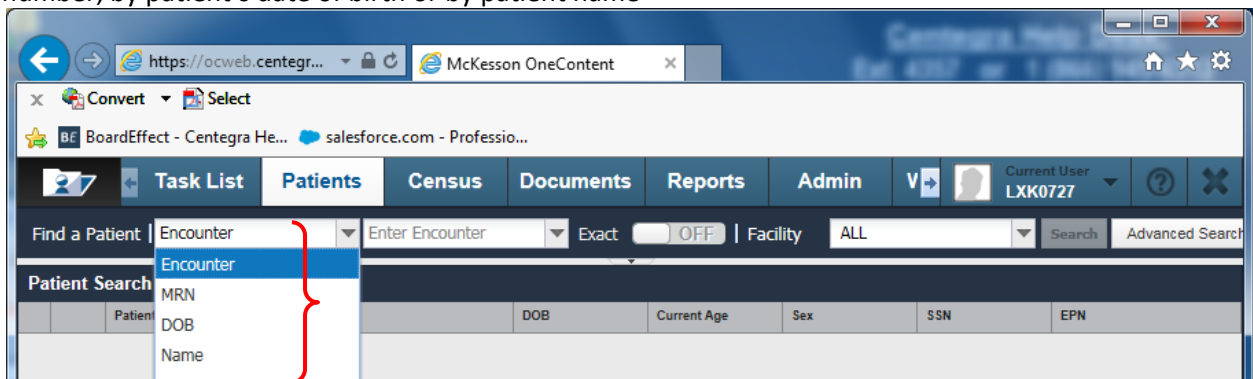

Application opens by default on the Task List tab

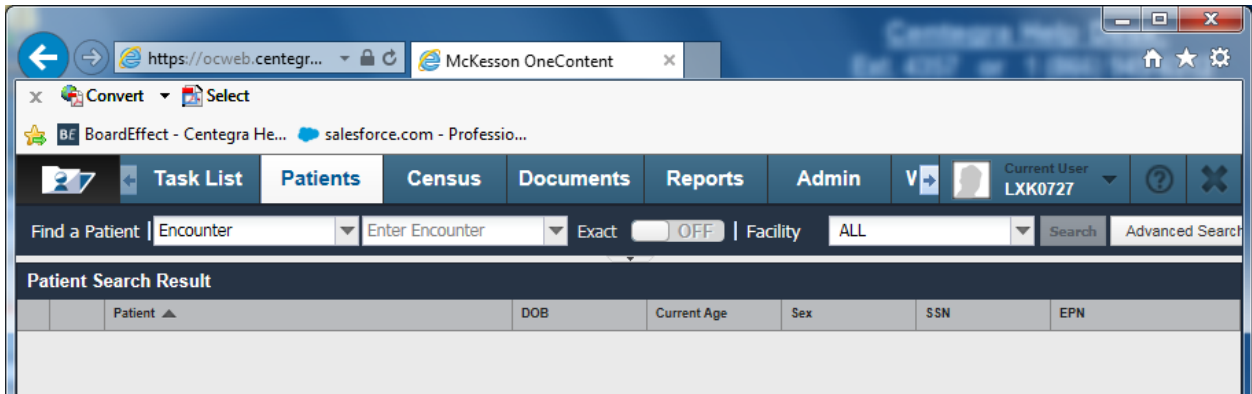

Single-click on the “Patients” tab

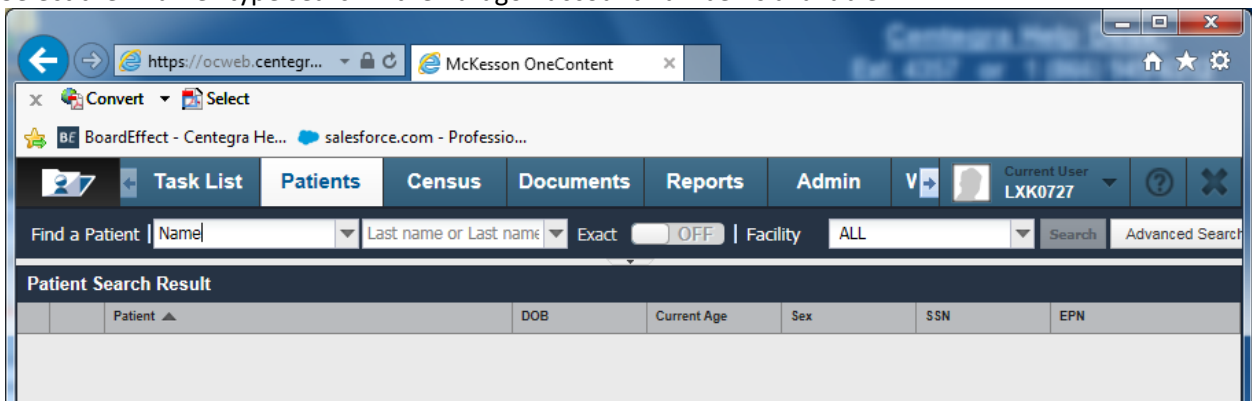

A patient chart can be searched for by Paragon encounter (account number), by Paragon medical record number, by patient’s date of birth or by patient name

Select the “Encounter” type search if you have the applicable Paragon visit ID/account number

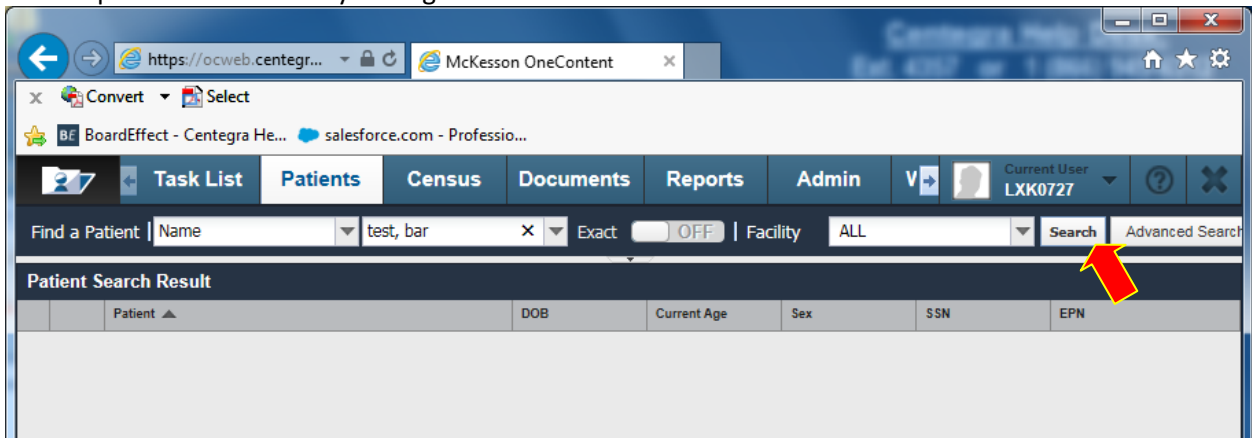

Select the “Name” type search if the Paragon account number is available

Enter the patient’s last name followed by a comma, one space then the first few letters of the first name.

Then depress the “Enter” key or single-click on the “Search” button.

In this example there are 3 patients listed with the same name. Look at the birthdates to find your applicable patient. In this example there 2 patients with the same date of birth.

Single-click on the “ + ” sign in at the beginning of the row to display the list of accounts listed to each patient.
